

100 Catchy GPT Image Generation Prompts

Scroll-stopping prompts for product ads, social media, billboards, 360° views, exploded views, surreal concepts, and cinematic campaigns.

1. Product / 360° / Exploded View

1. /360view Create a photorealistic 360-degree product showcase of [PRODUCT], floating in a premium studio, dramatic rim lighting, glossy reflections, clean dark background, luxury commercial photography.
2. /360view Show [PRODUCT] rotating through multiple angles in one dynamic composition, front, side, back and top views, photorealistic, premium advertising aesthetic.
3. /explode Create an ultra-detailed exploded-view visualization of [PRODUCT], components separated vertically in perfect alignment, technical precision, realistic materials, cinematic lighting, premium technology advertisement.
4. /explode Create an exploded view of [PRODUCT] showing every internal component clearly, floating layers, engineering visualization, black background, dramatic lighting, photorealistic.
5. /360view Create a futuristic 360-degree product presentation of [PRODUCT], surrounded by subtle holographic interface elements, cinematic lighting, premium tech commercial.
6. /explode Show [PRODUCT] completely disassembled in mid-air, every component perfectly positioned, realistic screws, circuits and internal mechanisms, high-end engineering advertisement.
7. /360view Create a rotating hero shot of [PRODUCT] with motion trails suggesting 360-degree movement, studio photography, high contrast, premium commercial campaign.
8. /explode Create an Apple-style exploded product advertisement for [PRODUCT], minimal background, precise component spacing, elegant typography area, sophisticated lighting.
9. /360view Show [PRODUCT] from an extreme low angle while simultaneously revealing its front, side and rear design, premium product campaign.
10. /explode Create a hyper-realistic exploded diagram of [PRODUCT] where the outer shell separates to reveal its internal technology, cinematic blue lighting, futuristic engineering aesthetic.
11. Create a macro close-up of [PRODUCT] revealing its finest material details, texture, buttons, edges and craftsmanship, luxury advertisement photography.
12. Create a floating product hero shot of [PRODUCT] surrounded by realistic particles, reflections and subtle light streaks, dramatic commercial lighting.
13. Create [PRODUCT] suspended above a reflective black surface, spotlight from above, deep shadows, premium luxury advertisement.
14. Create a miniature world built around [PRODUCT], with tiny people interacting with it, surreal but photorealistic, highly detailed advertising visual.

15. Create [PRODUCT] emerging dramatically from smoke, sparks and atmospheric light, cinematic product advertisement, ultra-realistic.
16. Create a close-up product shot of [PRODUCT] with water droplets on the surface, dramatic lighting, premium commercial aesthetic.
17. Create [PRODUCT] floating inside a transparent glass cube, luxury studio lighting, futuristic advertising campaign.
18. Create a giant version of [PRODUCT] placed in the middle of a modern city, pedestrians looking up at it, photorealistic billboard-style advertisement.
19. Create [PRODUCT] breaking through a wall dramatically, debris frozen in mid-air, cinematic commercial photography, photorealistic.
20. Create a premium hero image of [PRODUCT] centered perfectly with dramatic lighting and a large empty area for headline text.

2. Catchy / Scroll-Stopping Social Media Ads

21. Create a scroll-stopping Instagram advertisement for [PRODUCT], visually surprising composition, bold subject, dramatic lighting, minimal space for headline.
22. Create an Instagram Reel cover for [PRODUCT] that instantly communicates [BENEFIT], high contrast, huge visual subject, curiosity-driven composition.
23. Create a viral social media advertisement where [PRODUCT] solves an exaggerated everyday problem, humorous but photorealistic.
24. Create a before-and-after advertisement for [PRODUCT], split-screen composition, dramatic transformation, highly realistic, instantly understandable.
25. Create a visual metaphor for [BENEFIT] using [PRODUCT], surreal concept, premium advertising photography, immediately understandable.
26. Create an advertisement where [PRODUCT] is dramatically larger than everything around it, surreal scale, cinematic perspective, attention-grabbing.
27. Create a social media ad showing [PRODUCT] as the obvious hero among dozens of competing objects, dramatic spotlight, visual hierarchy.
28. Create a curiosity-driven advertisement where the viewer initially cannot understand what is happening, but [PRODUCT] becomes the visual answer.
29. Create a shocking but brand-safe advertisement for [PRODUCT], unexpected visual situation, cinematic realism, designed to stop scrolling.
30. Create a humorous advertisement for [PRODUCT] based on the idea "[FUNNY IDEA]", realistic people, exaggerated facial expressions, viral social-media aesthetic.
31. Create a minimalist advertisement for [PRODUCT] using one powerful visual metaphor and almost no background elements.
32. Create a dramatic close-up advertisement for [PRODUCT], extreme perspective, oversized foreground object, shallow depth of field, cinematic photography.
33. Create a visually addictive advertisement using symmetry, repetition and [PRODUCT] as the central hero.
34. Create a social-media ad where [PRODUCT] appears to defy gravity, photorealistic, dramatic shadows and premium lighting.
35. Create a product advertisement inspired by optical illusions, with [PRODUCT] seamlessly interacting with impossible architecture.

36. Create an advertisement where hundreds of tiny versions of [PRODUCT] create one giant image from a distance.
37. Create a viral advertisement using extreme scale contrast: tiny human next to enormous [PRODUCT], cinematic city environment.
38. Create a visual puzzle advertisement for [PRODUCT], where the viewer needs a second look to understand the image.
39. Create a surreal advertisement where [PRODUCT] grows like a plant from the ground, photorealistic, cinematic natural lighting.
40. Create a premium social ad with [PRODUCT] emerging from a completely unexpected environment, visually absurd but beautifully photographed.

3. Billboard / OOH Advertising

41. /billboard Create a massive roadside billboard advertisement for [BRAND], simple unforgettable visual, one dominant image, minimal copy space, realistic Indian city environment.
42. /billboard Design a Times Square-style digital billboard for [PRODUCT], massive LED screen, nighttime city, crowds looking at the advertisement.
43. /billboard Create a clever billboard advertisement for [PRODUCT] where the physical environment becomes part of the advertisement.
44. /billboard Create a 3D anamorphic billboard advertisement for [PRODUCT], object appearing to come out of the screen, photorealistic urban environment.
45. /billboard Create a giant billboard where [PRODUCT] appears to physically break through the advertising screen.
46. /billboard Create a minimalist highway billboard for [BRAND], one giant product visual, extremely readable from a distance, premium advertising.
47. /billboard Create a humorous billboard for [PRODUCT] positioned beside a busy Indian highway, clever visual joke, photorealistic.
48. /billboard Create a billboard where [PRODUCT] interacts with nearby buildings, roads or vehicles, turning the environment into part of the campaign.
49. /billboard Create a giant digital billboard showing [PRODUCT] melting, dripping or transforming into [OBJECT], surreal advertising concept.
50. /billboard Create an interactive-looking billboard for [PRODUCT] with an illusion that the product extends beyond the screen into the street.
51. /billboard Create a luxury fashion billboard for [BRAND], enormous portrait, dramatic lighting, minimal typography, premium urban environment.
52. /billboard Create a futuristic smart-city billboard campaign for [PRODUCT], holographic advertising, nighttime metropolitan environment.
53. /billboard Create a billboard advertisement where the shadow of [PRODUCT] creates a second hidden message.
54. /billboard Create a billboard with a visual joke that can be understood in under two seconds.
55. /billboard Create a giant billboard campaign for [PRODUCT] using extreme minimalism: one object, one emotion, one powerful visual.

4. Psychological / Visual Metaphor Ads

56. Create an advertisement where a tangled brain transforms into a clean organized structure after using [PRODUCT].
57. Create a visual metaphor for speed: [PRODUCT] leaving a trail of light while everything else appears frozen in time.
58. Create a visual metaphor for security: [PRODUCT] protected inside an enormous transparent shield while chaos happens outside.
59. Create a visual metaphor for productivity: hundreds of tasks collapsing into one simple button on [PRODUCT].
60. Create a visual metaphor for savings: money literally growing around [PRODUCT] like a tree.
61. Create a visual metaphor for connectivity: glowing threads connecting [PRODUCT] to people around the world.
62. Create a visual metaphor for durability: [PRODUCT] remaining completely intact while everything around it breaks apart.
63. Create a visual metaphor for battery life: [PRODUCT] powering an entire futuristic city.
64. Create a visual metaphor for premium quality: [PRODUCT] surrounded by ordinary products that visually fade into the background.
65. Create a visual metaphor for simplicity: a chaotic room transforming into a perfectly organized environment around [PRODUCT].
66. Create a visual metaphor for AI: [PRODUCT] connected to a giant glowing digital brain, cinematic futuristic environment.
67. Create a visual metaphor for freedom: [PRODUCT] breaking through chains and moving into an open landscape.
68. Create a visual metaphor for speed using an exaggerated time-lapse environment around [PRODUCT].
69. Create a visual metaphor for transformation: old version of [PRODUCT] turning into a futuristic version through a dramatic energy transition.
70. Create a visual metaphor for innovation: [PRODUCT] floating above a landscape of outdated technology.

5. Surreal / Impossible Ads

71. Create a surreal advertisement where [PRODUCT] is floating above the clouds like a futuristic monument, cinematic sunrise, photorealistic.
72. Create [PRODUCT] emerging from an ocean wave, frozen at the perfect dramatic moment, luxury commercial photography.
73. Create a gigantic [PRODUCT] standing in the middle of a desert, tiny people exploring it, surreal scale, cinematic realism.
74. Create [PRODUCT] as a futuristic spaceship flying through a neon city, premium commercial aesthetic.
75. Create [PRODUCT] built entirely from glass, revealing its internal components, dramatic studio lighting.
76. Create [PRODUCT] made from thousands of tiny mechanical parts assembling themselves in mid-air.

77. Create a surreal world where everything is miniature except [PRODUCT], cinematic depth and photorealistic details.
78. Create a giant [PRODUCT] floating above Mumbai during monsoon, dramatic clouds, realistic Indian cityscape.
79. Create [PRODUCT] emerging from a massive crack in the earth, cinematic lighting, dust and debris, premium advertisement.
80. Create a futuristic city constructed entirely from [PRODUCT], aerial cinematic view, highly detailed.
81. Create [PRODUCT] sitting on the moon with Earth visible in the background, luxury space advertisement.
82. Create [PRODUCT] travelling through a wormhole made of light, surreal futuristic advertising visual.
83. Create [PRODUCT] growing from a tree like fruit, photorealistic nature photography mixed with surreal advertising.
84. Create [PRODUCT] surrounded by hundreds of floating clocks representing time saved, cinematic advertising composition.
85. Create [PRODUCT] at the center of a frozen explosion, every particle perfectly visible, ultra-detailed commercial photography.

6. Cinematic / Premium Campaigns

86. Create a Hollywood-style cinematic advertisement for [PRODUCT], hero lighting, shallow depth of field, anamorphic lens look, dramatic atmosphere.
87. Create a luxury campaign for [BRAND] inspired by high-fashion editorial photography, elegant composition, premium materials, sophisticated lighting.
88. Create a cinematic close-up of [PRODUCT] with condensation, atmospheric haze, dramatic side lighting and ultra-realistic textures.
89. Create a dark premium technology advertisement for [PRODUCT], black environment, sharp highlights, dramatic rim lighting, sophisticated composition.
90. Create a futuristic cyberpunk advertisement for [PRODUCT], neon city reflections, rain, cinematic lighting, photorealistic.
91. Create a futuristic white-space advertisement for [PRODUCT], ultra-clean architecture, soft shadows, minimal luxury aesthetic.
92. Create a premium Indian advertising campaign for [PRODUCT], contemporary Indian architecture, cinematic golden-hour lighting, aspirational lifestyle.
93. Create a cinematic advertisement showing a person using [PRODUCT] during an intense emotional moment, realistic expression, dramatic storytelling.
94. Create a luxury advertisement where [PRODUCT] is placed on a sculptural pedestal surrounded by fog and dramatic light beams.
95. Create a cinematic macro shot of [PRODUCT] with extreme detail, realistic material textures, shallow depth of field, premium commercial photography.
96. Create an award-winning advertising concept for [PRODUCT] based on the idea "[CORE MESSAGE]", visually clever, emotionally powerful, photorealistic.
97. Create a high-end magazine advertisement for [BRAND], editorial photography, sophisticated composition, premium negative space for typography.

98. Create a cinematic advertisement where the entire environment visually demonstrates the biggest benefit of [PRODUCT].
99. Create a visually iconic advertising campaign for [PRODUCT] that can be recognized instantly even without the logo, simple but unforgettable composition.
100. Create a world-class advertising visual for [PRODUCT]. Start with one unexpected visual idea, combine cinematic photography, surreal scale, strong contrast, premium lighting and a clear visual hierarchy. Make the image instantly understandable, emotionally engaging and impossible to ignore while scrolling.
